SOMETHING TO BELIEVE IN

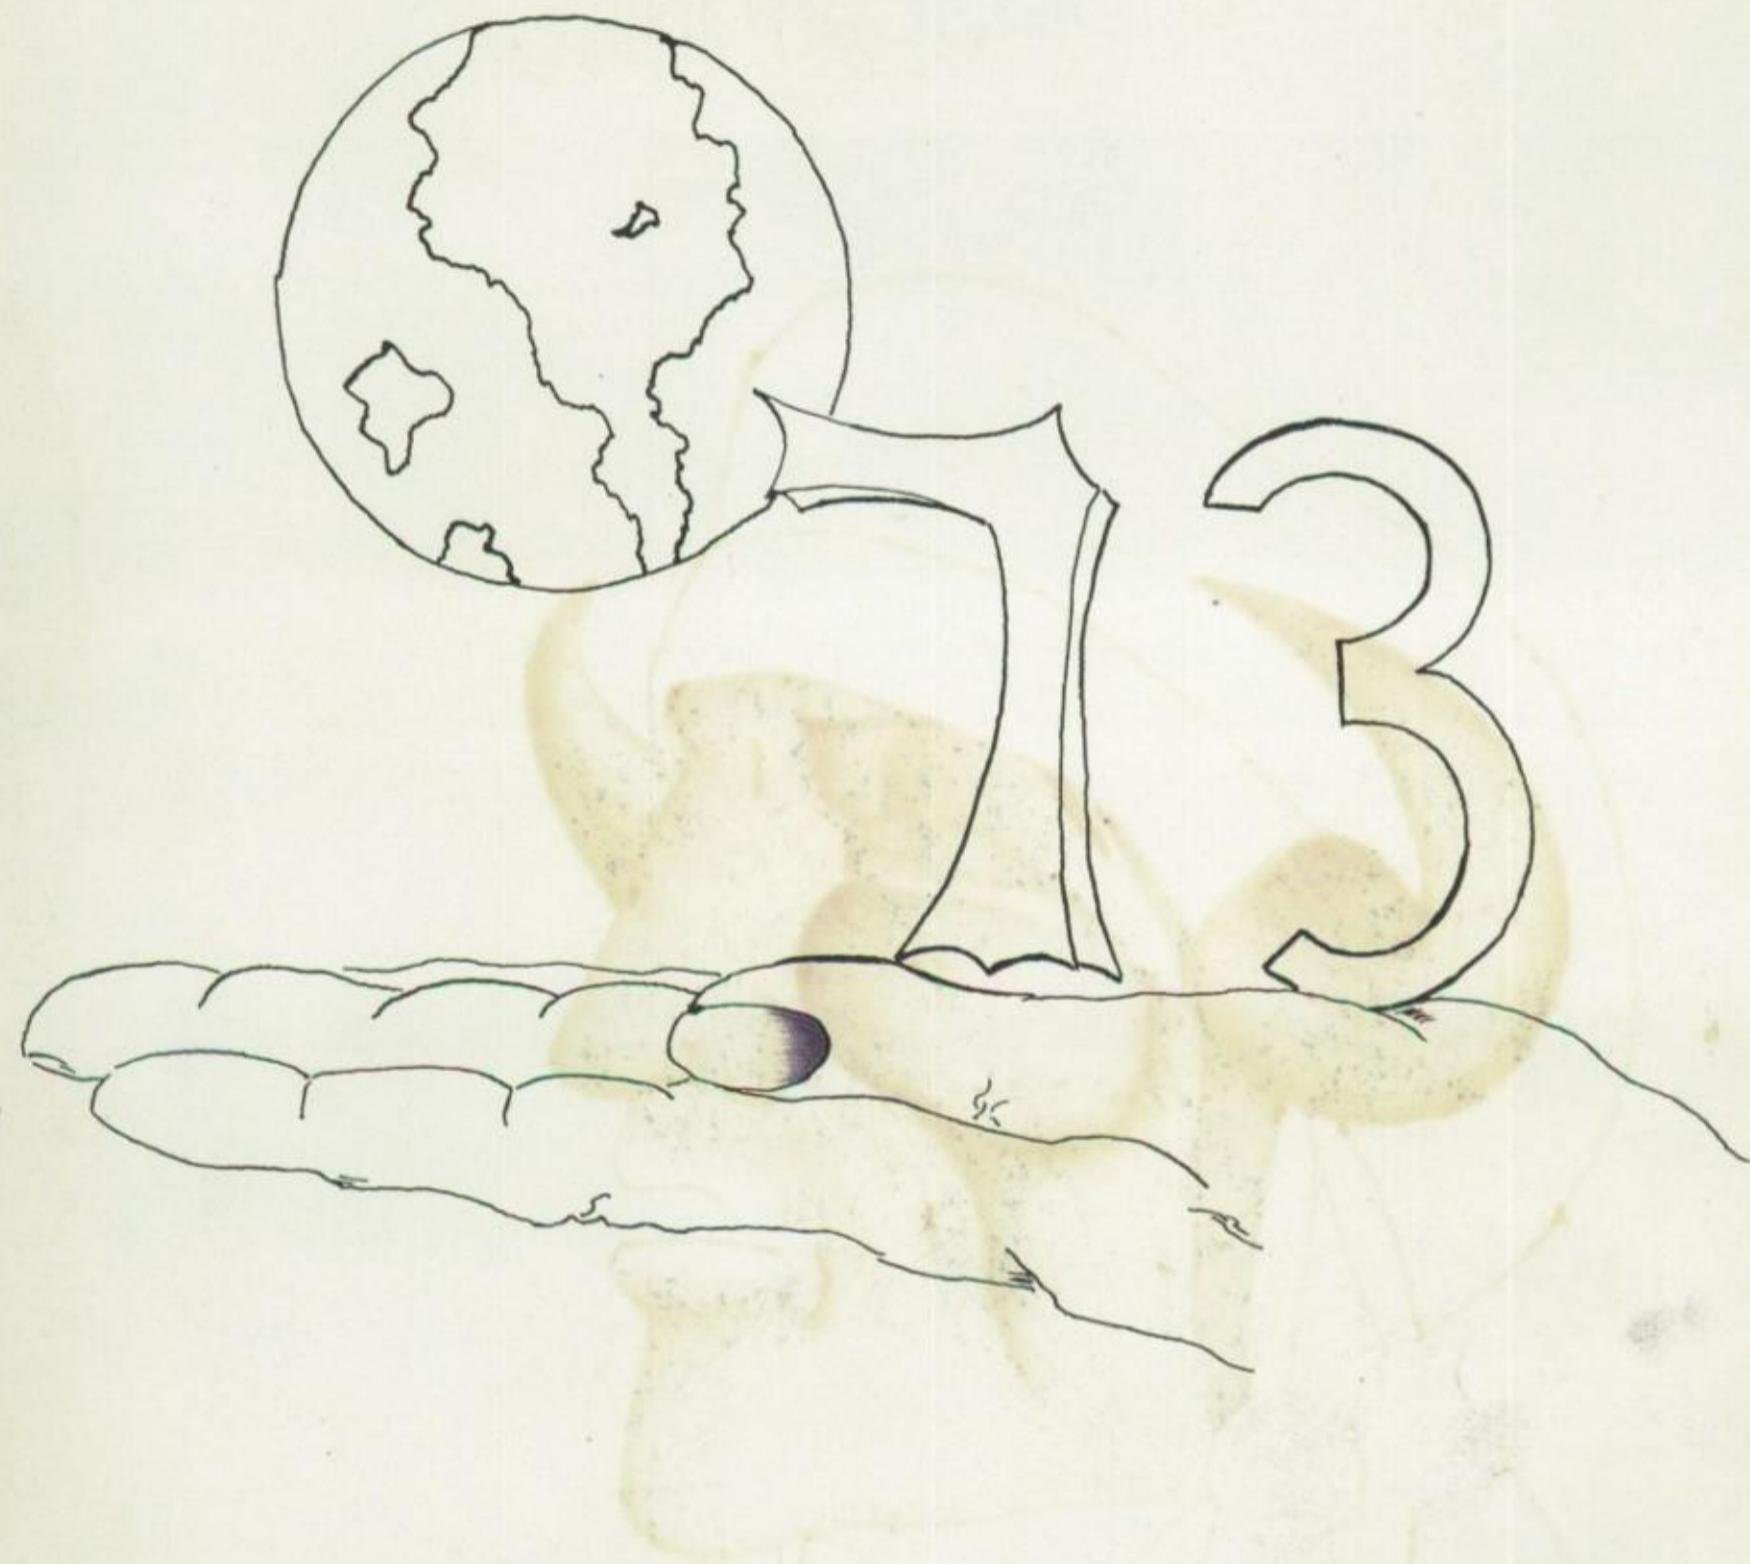

Debbie Edgerton (class of '65)
"Rusty!" I guess it was soprano
a little over a year since we had been together?
tonight I couldn't think of anything else.
really think of anything else?
to write but to think about it.
what happened so soon?
I couldn't really think of is you and
of the past in which we shared
our times of fun, our problems and
mostly, our love for each other.
together which I sincerely hope
would never cease, even though
I won't be around, but
all my memories of you
Laurie, Harry, the guys
at the house, your family
the most nice
at Woodstock
my life.

I won't
forget "I won't

I've met in my life.
I'm not so good
At trying to express my
feelings of what I
really felt ~~about the~~
things that I had experienced
while I was here.
I hope you have a good
School year and try not to
think of what ever happened
that I won't be coming
back but do think of
me once in a while,

DEDICATION

We, the Class of 1973, dedicate this yearbook to Mrs. Roche. We thank her for dedicating herself to the Music Department. In doing this she has built the quantity and quality of music to a point where one-third of the school participates in music, and where four Broadway musicals have been highly praised. It is only with diligence, patience, and self-denial that a person can teach 150 to 280 students a day, and still wear a smile.

Congratulations to the Class of 1973. It has been an education for me to watch your growth and development over the past six years. Our association together has had its serious moments and its light moments. I hope that you will continue to maintain a good balance of serious thought and humor as you face the many challenges which await you after graduation. Good luck and thank you for the many pleasant memories I will have of you.

The Circle of life is within all of us,
if it wasn't we would lack the knowledge
to live on in a world of Hate, Love, War, and
Peace. That is why we are members of the
Circle of life.

CLASS HISTORY

We entered the school as eighth graders. Probably we will be the only class to ever spend five years at Woodstock Union High School. The Class of 1973 had started to make history, and more was sure to come.

As freshmen we showed our brain power by electing our officers, all girls. They were Cyndi LaPoint as president, Deb Eastman as vice-president, Sue Aldrich as secretary, and Pam Lessard as treasurer.

Changing our minds for our sophomore year we elected Duke Eaton, president; Pam Lessard, vice-president; Cyndi LaPoint, secretary; and Jean Snow, treasurer.

Realizing that Jean didn't have enough work to do we elected her secretary-treasurer; elected Barb Willcox vice-president; and kept Duke as president for our junior year. At our Junior Prom, "Romeo and Juliet," Steve Morgan and Barb Willcox were king and queen. Princesses were Ginny Mulcahy, Deb Eastman and Nancy Sawyer. Jim Edgerton, Duke Eaton, and Kent Belden were princes. The Junior Prom was even more successful when we found we made just over five dollars!

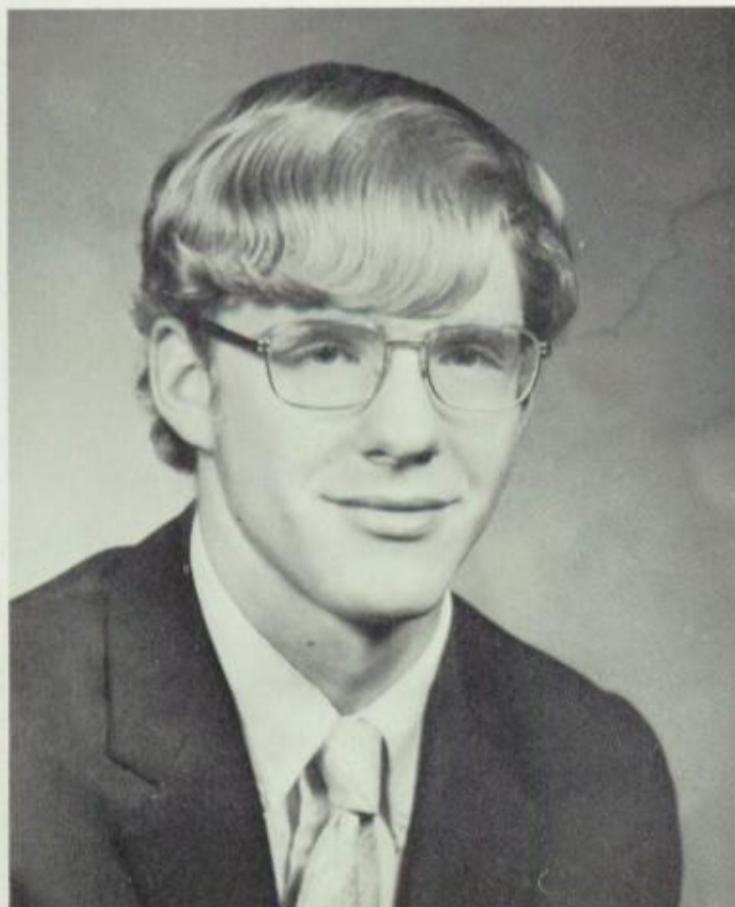

Being tagged one of the worst two classes in the school we entered our final year (hopefully) of high school. Leading us again was Duke as president; Jim Edgerton, vice-president; Barb Willcox, secretary; and Jean Snow, who finished a three year stint as treasurer. Half of us turned out to put together the yearbook in one night, but we couldn't finish the job and left it to a faithful few. Beginning our junior year and climaxing our senior year we led the students in revival for school spirit. The results were a winning season in football, state class I runner-up in basketball and a gymnastics team that finished fifth in the state.

As the summer of 1973 was well on its way the Class of 1973 exited from the doors of Woodstock Union High School having graduated, and leaving to the next class the job of making history.

one again!

Hey Dubs!

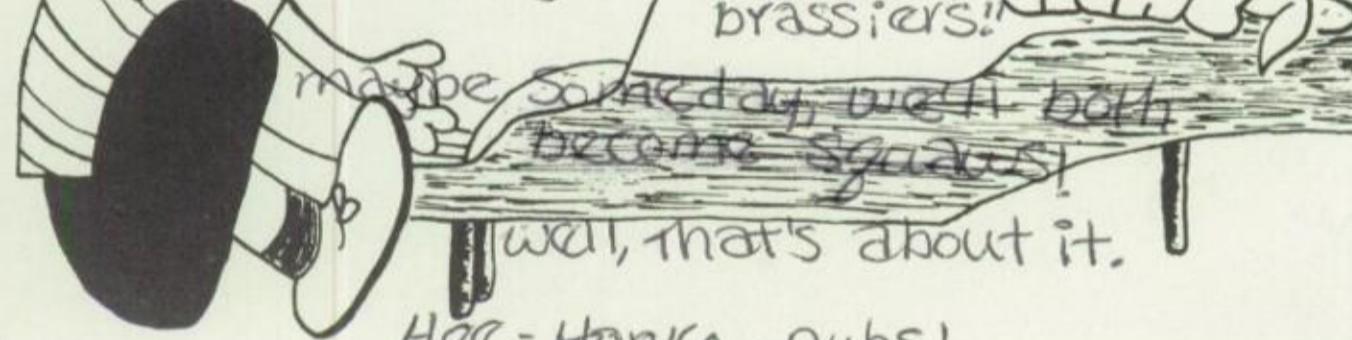

To a Bestest friend always, Hope we stay good friends forever. It's funny how, through all the years we've shared just about every kind of experience together. Happy, sad, embarrassing, and quite a few scary ones too!

Don't forget our "Injun" era, maybe it will be more than just an era! "Dooyaashooda Bilagaana!" yay "non - Bilagaanas" Right?

This year was a great one with all our social-doings (heh heh) from "Oklahoma" to "midging": there were always those times when we found ourselves hopelessly buried in a mess with only our heads sticking out to call, "Help!" and, in time we'd always wriggled ourselves out of it, laugh about it, and say, "oh well! that's life!"

anyway, here we are!! still alive and well. with more years to come, lots of things to look forward to. Someday, we'll have to travel together, maybe to Colorado, hah? or even Arizona and Alaska!! Even better, right?

Well, just stay like you are Deb, and don't ever lose that "cat grin" Remember all the fun we've had, like the song goes, "we've grown up together from rag dolls, through brassiers!"

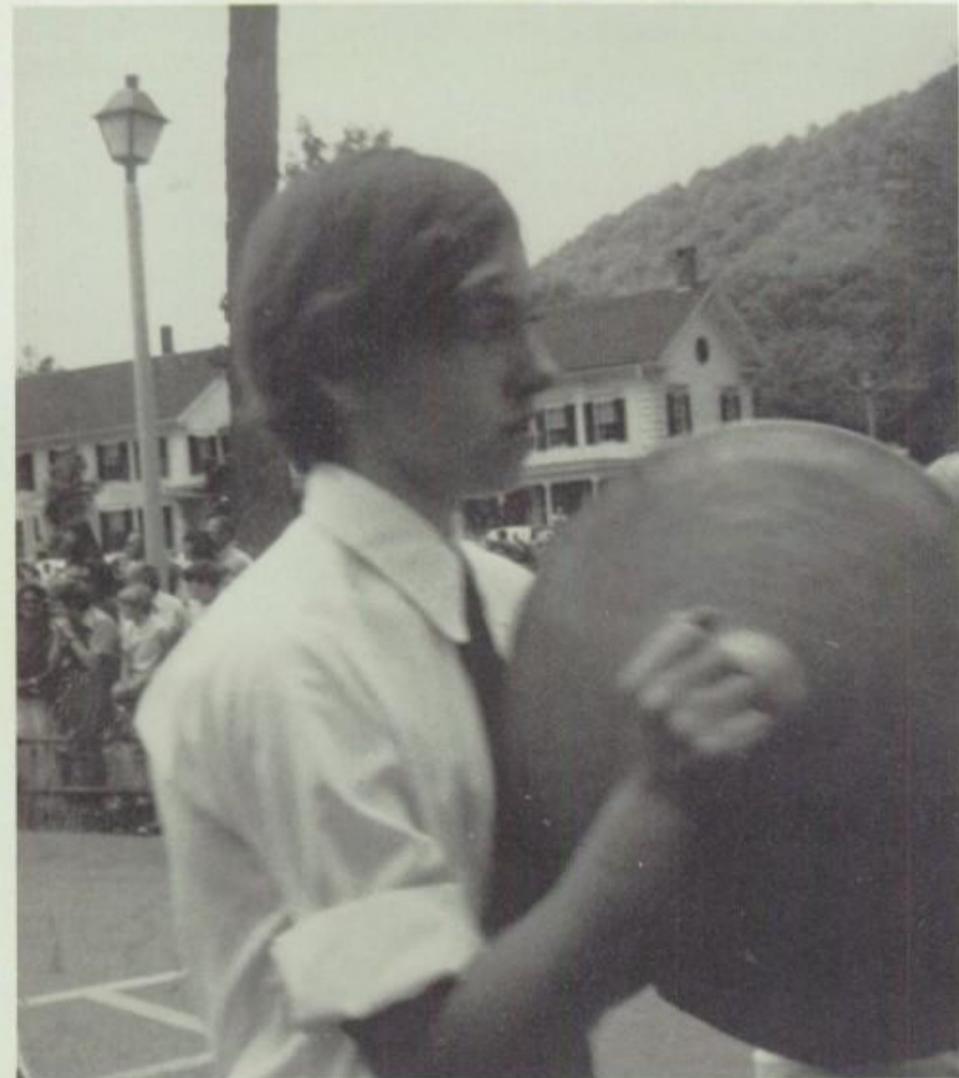

Hec-Honico-Dubs!
and Toodle-loo!
Love f/o

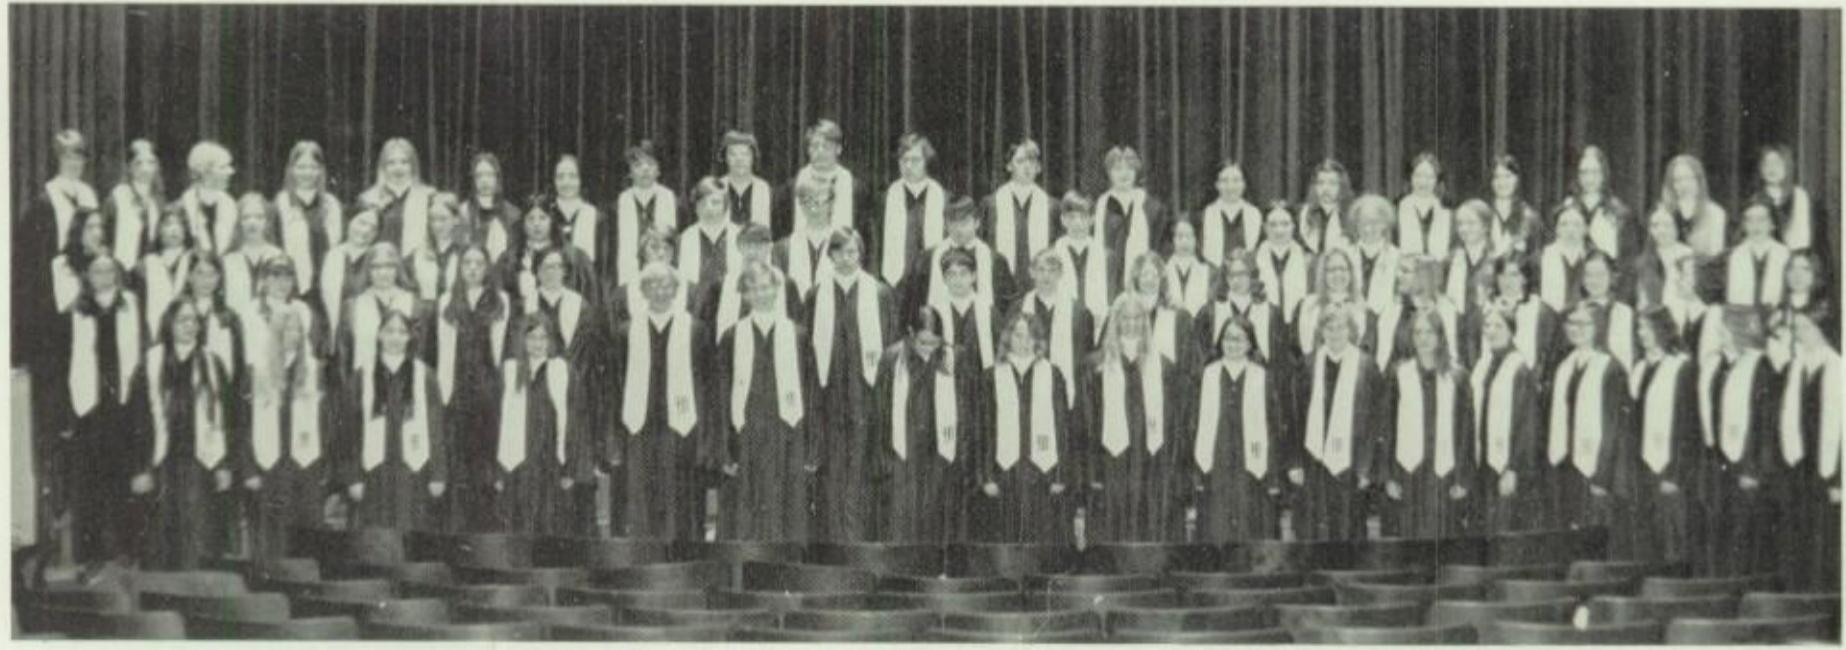

REMEMBER WHEN?

Do the boys remember the girls from Fairfield? Mrs. Well's eskimo bottle? General music classes were in the gym? Steve Frizzell went to band? We played tonettes? Andy goose-stepped? The band ended up in the barnyard at Eastern States?? Hut 1, Hut 2, Hutnik? Mr. Fayen fainted? We tried to learn the instruments; and then tried all year? We rode home from Fairfield in those outhouses?? We played in two parades in one day? The cornfield fell the opening night of Oklahoma?? Jerri fainted at Hartford and all the others followed?? Eller let Ali Hakim slide those garters up her limb?

卷之三

A surreal, hand-drawn illustration featuring a large, multi-armed figure with a textured, scribbled body. The figure has several heads and is surrounded by floating, illegible text in blue ink. The text includes phrases like "It's me again!!", "lisa", "Dreta Gross", and various fragments of words and numbers. The style is chaotic and expressive, with heavy black outlines and cross-hatching.

It's been a really good year - I hope ever next is just as good or even better. I'll have to work but try to make our class laugh at it and remember all the times we've had and I hope the best. I'll remember many next year but take it easy and don't work so hard. I know we have fun and we have fun this summer. I won't be. Jackie

To Debbie! This year was fun, the ol' class officers. What a joke! You and I ended up doing most of it. Oh well. I feel sort of inferior to everyone else, because of boys and looks, etc. But then you always make me feel so good and you are one of the nicest people in the whole world. I hope we can be best friends forever. Thank you for being there when I needed a friend.

Love Paula

THE SNOWPLOW WILL GET YOU DOWN THE MOUNTAIN, BUT WOULDN'T YOU RATHER SKI?

A LOT OF PEOPLE ARE STILL LEARNING TO SNOWPLOW. WHICH IS O.K. BECAUSE, SLOWLY BUT SURELY, IT GETS YOU WHERE YOU'RE GOING. BUT IT ISN'T MUCH FUN.

AT KILLINGTON, WE BELIEVE SKIING SHOULD BE FUN. SO WE'VE DEVELOPED A METHOD THAT STARTS YOU SKIING PARALLEL YOUR FIRST DAY OUT. IT'S CALLED THE ACCELERATED SKI METHOD™ AND THE KEY TO ITS SUCCESS IS THE LENGTH OF YOUR SKIS.

YOU START ON 39" INSTRUCTION SKIS. VERY SHORT AND EASY TO MANEUVER. A LITTLE BASIC INSTRUCTION AND YOU'RE UP THE LIFT TO THE TOP OF THE BEGINNERS' HILL WHERE THE LESSON REALLY GETS GOING.

WHEN YOU FEEL LIKE A PRO IT'S TIME FOR THE 60" TRAINING SKIS AND FINALLY SKIS STANDARD FOR YOUR WEIGHT AND HEIGHT.

IT TAKES TIME. BUT IT CAN BE DONE. AND WE HAVE THREE PLANS TO GET YOU STARTED. A 7-DAY PACKAGE INCLUDING LESSONS, THE BEST SKIS, THE MOST ADVANCED RELEASE BINDINGS, BUCKLE BOOTS AND POLES, PLUS LIFTS AND AFTER-SKI ENTERTAINMENT. ALL FOR \$110. OR A 5-DAY PLAN INCLUDING ALL OF THE ABOVE, FOR \$70. AND FOR OUR WEEKEND SKIERS, A 2-DAY PLAN FOR \$40.
